Summary

Multidisciplined worker with skills best fit for work in the technical industry. Fulfilled numerous roles utilizing knowledge integrated in networking and software development with high flexibility in all related areas. My most recent achievement was learning to utilize virtual machines for network use.

Work Experience

Fulfillment Associate

Amazon

Jan 2023 - Present (1 year 6 months)

Fulfilling tasks within the warehouse including order fulfillment, inventory management and problem solving through communication channels as needed. Floor management position offered.

Seasonal Stocker

At Home Group Inc.

Nov 2022 - Dec 2022 (2 months)

Fulfilled general store maintenance in addition to inventory management.

Production Assistant Intern

Entertainment Interactive LLC

Aug 2022 - Sep 2022 (2 months)

Provided assistance to the studio production team through research and design infographics. Emphasized teamwork, communication and planning through web meetings and WorkJam goals.

Warehouse Specialist

Pep Boys

Apr 2022 - Jul 2022 (4 months)

Fulfilled numerous roles as a temporary employee and largely responsible for salvaging inventory and spotting errors before they became a problem in the system.

2D Specialist (Production Planning/Storyboard Artist)

Tribal III

Aug 2021 - Jan 2023 (1 year 6 months)

Created art and animation assets under Tribal III in service of building professional studio portfolios. Successfully created storyboards and animatics along with a team during multiple short-term sprints lasting roughly 1-2 weeks each.
